

Additional KODAK WRATTEN 2 Optical Filters Neutral Density Filters, No. 96 Now Available

KODAK is pleased to announce the introduction of the full line of WRATTEN 2 Optical Filters / Neutral Density No. 96, in addition to those previously announced in April 2007. This filter was formulated to the same spectral transmission as the Wratten Gelatin filter and offers improved stiffness durability and handling. The Wratten 2 filter also includes a clear protective overcoat.

Please Note: The WRATTEN 2 Neutral Density No. 96 Filters replace the WRATTEN Neutral Density No. 96 Filters listed on page 2 of this KODAK News.

The following chart reflects the discounts that apply when purchased in the quantity stated. For questions and ordering information, please contact your Kodak Customer Service Representative at 1-800-621-FILM.
